Explore History: Research Historic U.S.-Mexican Relations for the National Park Service

Project Title	Explore History: Research Historic U.SMexican Relations for the National Park Service
Project Summary	Discover history! Use your research skills to explore historic relations between the U.S. and Mexico. Review historic documents to determine how they relate to the U.SMexican War. Write a synopsis of relevant documents.
Country	United States

Project Description

This project involves reading copies of handwritten historic documents, determining if the document pertains to the U.S.-Mexican War, and writing a synopsis of relevant documents.

These documents will be added to the Palo Alto Research Center housed at the University of Texas Rio Grande Valley-Brownsville campus.

The ideal candidate should be:

- o Detail-oriented
- o Interested in history
- o Able to meet deadlines
- o Self-motivated
